

# Create a new account

## A how-to guide for customers

Visit [customers.HQwebconnect.com/start](https://customers.HQwebconnect.com/start)

Click "register."

Fill out the form. Then, click "complete your registration."

The system will automatically return you to the customer portal login screen.

**Note:** If your customer account already exists, you will see this message:

That Customer already has an account.  
To create additional accounts,  
have the manager log in, then click on the  
top right "gear" icon, then "New Account".

cancel

complete your registration

Enter your email and password.  
Then, click "log in."
